Hand Sizing Guide

Print out this [page](#) and lay it flat on a table.

Standing up, place your right hand over the blue hand outline, follow the written instructions, and keep your fingers together not splayed. Note the size number suggested.

Men – On each glove page on the description tab there is a click through to an excel spreadsheet of men's hand measurements and their preferred glove size. Check your measurements and buddy up with someone similar to help you choose your size.

Below a size 6? Lovely hands has 2 gloves in a size 5, some of the size 6's fit closely.

Above a size 11? Lovely hands has 2 gloves in a size 12 and others stretch.
